77th Year Number 17 | Truckee, Nevada County, California, Thursday, May 30, 1946 | Since 1869

Election Tuesday Will Be Marked By Hot Contests

Local Interest Centers On One Township, Two County Fights

Several hotly contested battles loom as the time for the election draws near and next Tuesday, June 4, voters will decide who will administer the affairs of the county and state for the next four years.

Locally there is only one contest, that for justice of the peace, in which R. N. Little, Truckee realtor and insurance man, is opposed by Frank A. Titus, until recently deputy constable. The incumbent, C. E. Smith, is not a candidate.

N. F. Dolley is unopposed for return to the office of constable.

In the county contests, the most sought-after office is that of sheriff in which six candidates are entered. They include C. J. Tobiassen, incumbent; Richard Hoskins, Wayne Brown, Thomas Barrett, Thomas O'Dea and William Pohley.

Vernon Stoll and William Wright, both former district attorneys, and James Snell, prominent Grass Valley attorney, all seek the superior court judgeship to be vacated by Judge George L. Jones, who announced he will retire.

For district attorney the incumbent, Ward Sheldon, is opposed by Frank G. Finnegan of Nevada City.

Other county offices are uncontested and the incumbents are R. N. McCormack, county clerk and auditor; Elma Hecker, treasurer and tax collector; Philip G. Scadden, assessor; John E. Nettell, recorder; Theodore Kohler, public administrator; Alvah Hooper, coroner; Joseph O'Conner, surveyor, and Walter Carlson, superintendent of schools. Both supervisors in the west end of the county up for reelection are unopposed. They are J. C. Coughlin and W. E. Odell. Four seek the office of constable in Nevada City and three aspire to the same job in Grass Valley.

In the state elections the most interesting local fight will be for governor in which Earl Warren is opposed by Robert Kenny and the seat on the board of equalization in which Senator J. L. Seawell is opposed by Kenneth R. Conley of Healdsburg and L. G. Hitchcock of Santa Rosa. Seawell lives at Roseville.

There are three candidates for lieutenant governor, two for secretary of state, four for controller and five for attorney general. Six seek the office of United States Senator.

In the Second Congressional contest Andrew Rogers of Nevada City is opposing the incumbent, Clair Engle of Redding, and Don M. Hoffman of Camino.

The polls will open at 7 a.m. and remain open until 7 p.m. In Supervisorial District No. 5, the polls in Truckee are located at the grammar school and Masonic Hall. In the former, the officers are F. F. Kearney, Edith M. Riordan, Mary Wolert, Laura Gaiennie, Katherine Ghirard and Estelle Englehart. In the Masonic Hall the officers will be Elizabeth McKay, Lucile Bick, Blanche Snider, Winifred Kamp, Dorothy Leamon and Norma Hansen.

At Soda Springs the inspector is Dennis Jones and the other officers are Florence Whitten, Eleanor Johanson and Frances Couillard.

Contests At Tahoe

TAHOE CITY— As election day nears there is little indication as to who the winner of the Tahoe justice of the peace race will be. The three candidates, C. W. Vernon and Carl Bechdolt, Sr., of Tahoe City and Tom Doherty of Kings Beach all have their own personal clique of friends and backers and the outcome is pretty much anyone's guess. Vernon and Doherty are write in candidates.

It appears that Constable Harry Johanson has an edge in his campaign for reelection. He is opposed by F. E. Walker who has waged a vigorous campaign against the incumbent.

Truckee Mercantile Adds Frozen Foods to Stock

The Truckee Mercantile this week started handling frozen fresh foods and ice cream following installation of a special unit for storage. The latest addition is part of a gradual expansion program of the popular hardware and grocery store.

Vets' Advisor Due Here For Interviews Friday

Veterans of the Truckee, Tahoe and eastern Placer-Nevada areas are reminded that the services of a trained and well-informed veterans' advisor are at their disposal. Noble McCormack, Nevada County service officer, will be at the Veterans Memorial Hall from 8:30 AM Friday, May 31 for interviews with veterans with problems.

Sheldon Ill—

District Attorney Ward Sheldon is reported ill at his home in Nevada City. He had been confined to his home for several days but a week ago attended a meeting of the Civic Hospital Committee in Truckee, returning immediately to his bed.

Four Are Fined In Local Courts On Fish Counts

Truckee and Tahoe Justices Charge $25 for Fishing On Posted Creeks

Two Japanese, George Doti of San Francisco and G. A. Yoshida, an employee of the State Department at San Francisco, were fined $25 each when the appeared before Justice of the Peace C. E. Smith this week on charges of fishing in Donner Creek before the opening of the season.

The creek is well posted but the Japanese said they thought the signs said May 20 instead of May 30. They were arrested by Game Warden Bill LaMarr.

A week ago John F. Donahue and Emmett L. Guisti, both of Oakland, fine suspended, by Justice of the Peace Evelyn Bliss at Tahoe after they pleaded guilty to fishing on Squaw Creek before the opening of the season. They were arrested by Warden LaMarr.

TAHOE MOTORIST IS HELD BLAMELESS IN HITCHER'S DEATH

Coroner Alvah Hooper was here on Wednesday en route to Tahoe where he investigated the death of Grado Rozo, 40, fatally injured when he walked into a car driven by William J. Devener of Kings Beach.

Hooper said that the investigation revealed that Rozo, a laborer near Gold Run, had been a hitch-hike passenger in another car. He had evidently been drinking, Hooper said, and when he got out of the car on the highway he ran around the back of the machine in which he had been sleeping while en route from Colfax and ran into the side of the Devener car which was traveling at a speed of approximately 30 miles an hour.

Rozo's head hit the winshield post and he suffered a fractured skull and broken neck. Devener was held blameless.

NEW MARKET HERE TO OPEN TOMORROW IN OWENS BUILDING

After months of preparation, Truckee's newest enterprise, the Truckee Public Market, opens tomorrow morning in the Owens' building in the location formerly occupied by the R. A. Tonini Store.

The manager, Charles Rose, announced that a complete line of staple groceries, fresh fruits and vegetables, dairy products and bakery goods will be carried on a cash and carry basis.

The store was completely remodeled for the new store and offers an attractive appearance. Assisting Rose in the management and maintenance of the establishment will be Orval Sannar. Both men have had years of grocery store experience and believe the prospects in Truckee excellent for their type of retail outlet.

There are four partners in the business including Rose and Sannar of Truckee and James H. Rose and David Rose, both of Sacramento.

Truckee Outdoor Group Featured in SP Magazine

The Southern Pacific Company's monthly bulletin, which is widely circulated throughout the system, gave the Truckee Outdoor Sportsmen, a local organization, a writeup this month. The bulletin was particularly concerned with the fact that at the recent election of officers nearly all those named were SP employes, incuding President Al Bradshaw and Directors N. S. McCrary, Ralph Graham, B. J. Riordan, E. C. McReynolds and Ernest O. Gross.

Catholic Services Begun At Tahoe City for Season

Rev. J. Boland, pastor of Assumption Catholic Church, announced this week that he is holding Memorial Day Mass at Tahoe City this morning at ten o'clock. This starts regular service at Tahoe City for the season and Mass will be held each Sunday and Holy Day there.

Father Boland said a change in schedule may be required when his churches at Kings Beach and Globins open early next month.

Cemetery Here Cleaned By Cooperative Efforts

Through the combined efforts of volunteers, the county crew, under the direction of Supervisor H. G. Loehr, and the Boy Scouts, Truckee cemetery is well cleaned up for Memorial Day. All the old weeds and other debris has been removed both inside and outside the fence.

Candidates Here—

Among the county candidates in Truckee the past week were James Snell, Sheriff Carl J. Tobiassen, Vernon Stoll, Wayne Brown, Ted Kohler, Dick Hoskins, Alvah Hooper and Frank Finnegan.

At Meeks Bay—

Victor Bell who has been living at Napa has returned to Meeks Bay.

Three Injured As Cars Wrecked On Local Highways

Drunk Driving, Speed and Faulty Equipment Are Blamed

Only four motor vehicle accidents were reported during the past week and only three people were injured in this area.

Winifred Simmons, 28, Emigrant Gap, was hurt when a car driven by her husband, James Simmons, 41, of Emigrant Gap, ran into the rear of a truck driven by Kenneth Sims, 41, of San Francisco. State Patrolman T. F. Sheehan cited Simmons for drunken driving.

Last Thursday Terry Tollefson, 15, Big Chief Camp, suffered minor injuries when a truck he was driving got out of control when the steering knuckle broke on the Tahoe road. The truck was badly wrecked.

Edwin J. Rounds, 52, guard for the Federal Reserve Bank at San Francisco, suffered facial injuries when his car got out of control in the east end of Truckee on the Reno highway and overturned. He was cited for reckless driving by Patrolman Sheehan. The accident occurred at 8 o'clock Saturday morning.

The Truckee Public Utility truck, driven by C. Edmunds, broke a light off a Greyhound bust parked at Commercial Row and Bridge Street last Friday. No one was hurt and the damage was slight. Patrolman Sheehan investigated. The bus was driven by Frank A. Loring of Vallejo.

LOYND DRUG OPENS STORES AT TAHOE WITH FULL STOCKS

Starting Sunday, June 2, Loynd's Truckee Drug store will start its summer schedule and will be opened each Sunday from 9 a.m. until 8 p.m., the owner, E. L. Loynd, announced this week.

At the same time, Loynd said the two stores at Lake Tahoe, one at Kings Beach and the second at Tahoe City, will be opened for the season. Both lake stores feature a complete line of drug store merchandise and summer vacation requirements. The Kings Beach store has been completely remodeled.

Loynd said he anticipated the biggest summer season Tahoe has ever known, and has purchased new merchandise to meet all requirements.

Carruthers Take Over Tourist Lunch Room

Bob and Evelyn Carruthers, well known Truckee couple, have opened the lunch room at the Tourist Cafe and are inviting old and new friends to drop in and visit them. Both have had years of experience in restaurant business, Bob in the kitchen and his wife in the dining room.

Fish Hatchery Problems Told at Rotary Monday

Allan Pollitt, in charge of the state fish hatcheries at Lake Tahoe, was guest speaker at the Rotary Club on Monday night. He discussed the problems of feeding the fish during periods of shortages, the change of policy in plantjng fewer and larger trout, and the need of more warm water rearing ponds to keep up with the demands of thousands of California fishermen.

William Martin, principal of the grammar school here, gave a short talk on the need of increasing school teachers' pay. Other guests were Jack Hemphill, Kings Beach; Carl Tobiassen, Nevada City, and Alvah Hooper, Grass Valley. Leif Nielsen was the program chairman and Art Couillard presided.

Tahoe Babe Ill—

Grant Perry, small son of Mr. and Mrs. Grant Perry of Tahoe, is in a Reno hospital receiving medical treatment, following a recent illness.

Ghirard Guest—

S2c Loren Nelson of the USS Idaho, berthed at Norfolk, Virginia, was the guest last week of Mr. and Mrs. A. Ghirard.

Babies Come Home—

Mrs. Ernest Guidotti has returned home from Reno with her daughter, Sharon Lee, who was born there this month. Mr. and Mrs. William Killian returned from Sacramento last week end with their son, Mark Allan, who tipped the scales at eight pounds and four ounces at birth.

Sun Beams

By WALTER M. BARRETT

Next Tuesday is election day. It is the duty and privilege of every voter to go to the polls and on the basis of his own convictions cast his ballot for the man or woman he thinks best qualified to fill the office. Decision should not be made on personal reasons entirely. The welfare of the community, county, state and nation will be affected by the will of the voters. Give the matter serious thought. Your single vote will not materially affect the outcome for any single candidate but yours multiplied by hundreds and thousands of others will. So by all means vote, and vote with judgment.

Two men seeking state offices are entitled to every vote in this district. They are Governor Earl Warren and Senator J. L. Seawell. The former is opposed by a man who, in our opinion, by a single act alone, forfeited all right to the support of residents of this district. He is Robert Kenny, who has rendered a statement to the effect that the private utility corporations of the State of Nevada have a perfect right to the natural resources of California regardless of the will of the people of this state. He so opined in a decision rendered to a request by the California legislature that he take appropriate steps to determine the ownership of the waters of Donner Lake. Seawell, through his constant and untiring efforts in behalf of the people of this district, has well earned the support of the voters in his contest for a seat on the state board of equalization. Seawell's opponent endorsed by the WCTU and other similar organizations, has not seen it important enough to call on the voters of this area and has failed to bring to the voters of this area any message regarding his policies or plans. Jerry Seawell is known as a man of highest integrity and with a willingness to meet the desires of the electorate. Both he and Governor Warren may well expect a sweeping victory—and victory well deserved.

TRUCKEE RAILROAD MEN JOIN IN STRIKE AGAINST COMPANIES

Truckee was strangely silent last Friday and Saturday when, for the first time in many years, or since 1888, no trains passed through here due to the strike of the Brotherhoods of Locomotive Engineers and Trainmen.

Local crews joined in the nationwide strike which proved beyond any question of doubt that the railroads are probably the most important single unit in running a big country. Saturday all returned to work after threats were made against the workers by the President, but none are pleased with the way the entire situation was handled.

As one spokesman declared, the whole nation, including President and Congress, sit idly by for months after major strikes have been called, arbitrating and arguing, but within a few hours after the strike of the railroaders, the entire nation, including the President and Congress, was up in arms with demands and threats.

Katherine Doherty Is Christened In Nevada

KINGS BEACH— Katherine Frances Doherty, small daughter of Mr. and Mrs. Tom Doherty of Kings Beach was christened Sunday, May 26, at Reno. Following the ceremony, the parents and god-parents, Mr. and Mrs. Bernard Gallagher of Brockway, were hosts at a christening dinner held at the Colombo Cafe.

The baby's father is one of the candidates for justice of the peace at Lake Tahoe.

Weekend at Tahoe—

Lt. Com. and Mrs. Carroll Harden Stephens, Jr., of Sacramento and their guests, Miss Jane Ellis and William Smith are spending the holiday at Lake Tahoe.

In San Francisco—

Mr. and Mrs. William Myers are leaving this week to spend several days in San Francisco.

Here from Idaho—

Mr. and Mrs. Loren Vertner and daughter, Barbara Ann, returned to their home in Idaho after spending last week end at the home of Mrs. Vertner's parents, Mr. and Mrs. R. N. Little.

Drivers Warned About Deer On Roads In District

LaMarr Finds Fifteen Deer Victims of Cars Since First of Month

Emil J. N. Ott, Jr., executive secretary of the California Fish and Game Commission, asks the help of all California sportsmen in preventing the needless slaughter of our deer population on the mountain highways of the state.

Game Warden William LaMarr of Tahoe City reported he had found 15 deer slain by motorists on highways in this district since the opening of trout season May 1.

"The exodus of fishermen into the mountain areas this season is far greater than in any previous year and many deer are being accidentally killed on the highways by the motorists," Ott said.

NEVADA COUNTY'S TAX RATE LOWER, IS AGAINST TREND

Nevada county's $1.34 property tax rate for 1945-46 was down two cents from the $1.36 per $100 of assessed value rate for 1944-45, California Taxpayers' Association said today, making public its study of budget factors which caused tax rate changes in California counties for 1945-46.

Budgeted expenditures and reserves of the county called for a net increase in tax rate of 80 cents. Offsetting items, including changes, in assessed valuation, and in surplus, subventions and miscellaneous revenue items brought the net decrease in rate to two cents.

Among the expenditure items covered by the tax were salaries and wages, 18 cents; maintenance and operation, 14 cents; capital outlay, five cents, and reserves, 47 cents.

"Forty-one of California's counties show increases in county tax rate for 1945-46 over 1944-45," the association pointed out.

FARLEY IS SEEKING LICENSE RECALL AT SOUTH CITY HOTEL

Russell B. Farley, special investigator for the state board of equalization, said he would ask the board to revoke the beer and wine license now held by the Nevada Hotel at Truckee, due to repeated violations by Jesse Gilman and Ida Hohlman, the licensees.

The pair was arrested for selling whiskey without a license and after pleading guilty before Justice of the Peace C. E. Smith, were fined a total of $600. Both fines were paid.

Week of Wet Weather Relieves Fire Danger

After a week of wet, chilly weather this region is again enjoying the usual bright, sunny, warm days which have made it such a popular resort center. The rain which fell was sorely needed as the forests were getting dry and offering a fire hazard.

340,000 Rainbow to Tallac From Tahoe Hatchery

The Tahoe Hatchery has completed the transferring of 340,000 fall spawning Rainbow to the Mt. Tallac Hatchery ponds where thety will be raised to four to six inches before being planted directly in Lake Tahoe. Reports of this type of planting are very favorable during the past four years.

Stop Here—

Mr and Mrs. E. G. Harris of Roseville and formerly of Truckee stopped here last Friday on their way to Yerington, Nevada, where they visited relatives.

At School—

Harold Langille and Robert Leamon were in Sacramento this week where they attended school at the Hotel Senator to learn of the latest equipment in connection with the Rotary Oil and Burner Company.

In Sacramento—

Mr. and Mrs. H. R. Oliver are spending the Memorial Day week end in Sacramento but plan to return here for the summer.

Return to Tahoe—

Mr. and Mrs. Jack Smith and son John returned to Tahoe Cedars, Lake Tahoe, from San Jose where they spent the winter months.

Trout Season In This District Is Open On Streams

Fly Fishing Seen Improving As Waters Recede In Streams

This region today is enjoying its second opening of the trout fishing season.

All of District 23 with the exception of a few streams flowing into Lake Tahoe opened today. Ward Creek and Blackwood Creek do not open for another month. Closed streams are so posted.

Fishing has greatly improved since the first opening on May 1 when the Truckee River, Lake Tahoe, Donner Lake and Boca Reservoir were opened. At the present time fly fishing is being enjoyed on many of the streams including the Truckee River and some success is reported.

As the streams continue to recede, fishing is expected to get better throughout the district.

Fishermen today were invading the Little Truckee, Prosser Creek, Martis Creek, Cold Stream and scores of other tributary streams and nearby lakes. Fishing was prohibited on these streams this season by an act of the legislature in an effort to permit the rainbow to complete spawning before opening the season.

AREA'S STATE PARKS OPENED FIRST TIME SINCE WAR STARTED

SACRAMENTO, May 30 —(UP)— The value of California state parks as "movie background" was revealed in a report of the State Division of Beaches and Parks showing three motion picture firms "shot" films in those areas during April.

The division also reported Tahoe Campground, Bliss Rubicon and Donner Monument were opened to the public this month for the first time since World War II started.

Eastern Star Leader In Visit To Local Chapter

Worthy Grand Matron Isabelle Harrison Hillditch paid her official visit to Truckee Lodge No. 116, O.E.S., last evening. The meeting was preceded by a banquet at the New California Cafe.

Fifteen members of the local lodge attended the meeting held for Mrs. Hillditch at Auburn last Thursday evening.

Complaint Filed in Title Action on Local Property

Anton and Anna Filipcic, Antone and Agnes Mahne and Pacific Improvement Company are the plaintiffs in a complaint against James A. Sherritt, Placer County Bank and Placer County Title Company which was filed recently at the office of County Clerk R. N. McCormack. The court action is for a settlement regarding claims, interests and title to property in Truckee.

Five More Candidates Take I.O.O.F. Degrees

On Tuesday evening Elmer Todd, William Waters, Tom Bonano, Steve Cozzi and Hughie Carter were given the first and second degrees in Unity Lodge No. 6, I.O.O.F., in Reno. They were accompanied by Harry Eaton and Frank Titus. The five men were initiated into Donner Lodge No. 162 at a special meeting held here on Monday evening.

Bridge Hostess—

Mrs. William Englehart, Sr., was hostess to the bridge Eightsome on yesterday afternoon.

Trexlers Here—

Mr. and Mrs. R. B. Trexler of Roseville are guests of Mrs. Eliza Campbell.

At Golden Wedding—

Mrs. Clara Ocker attended the golden wedding anniversary of Mr. and Mrs. E. Elmore held in Sparks on Monday.

Cozzalios Moving—

Arthur Cozzalio is visiting local relatives before going to Reno where Mrs. Cozzalio, their son James and daughter Kathleen, will join him to make their future home. The family has lived in San Francisco for the past 23 years and recently sold their home there and bought one in Reno.

Grass Valley Trustees Put Up $400 for Summer Program for Recreation

GRASS VALLEY—The Grass Valley board of education at its recent meeting voted to contribute $400 for the summer recdeational program. It is hoped the city council will vote to help the school board in providing a director for the youth of the community. This director would run a program of athletics, swimming, hiking, baseball, dancing, etc.

The word "millinery" comes from Milan, Italy, once headquarters for ladies straw hats.

Over 300,000 Pheasants Are Planted by State

Almost a third of a million pheasants have been released by the Division of Fish and Game in California since it started its game farm program in 1926, a report made by H. A. Hjersman, junior game biologist of the bureau of game conservation, revealed. The 20-year total stands at 309,428.

Pheasant releases were very limited in the period before 1926, the report said. The first recorded release was in 1889 when $2,000 was allotted for the purchase of ring neck pheasants from Oregon. One hundred and forty pair were purchased and released in Monterey, Sacramento, Marin and Nevada Counties.

In 1926 the division launched its present game farm system and released 3,368. The number increased until 1942 when it reached its peak. Material and labor shortages during the war forced the totals to drop during 1943 and 1944 but due to additional incubators they were able to show a substatial increase in production in 1945 and this year should be one of the largest in the history of the game farms.

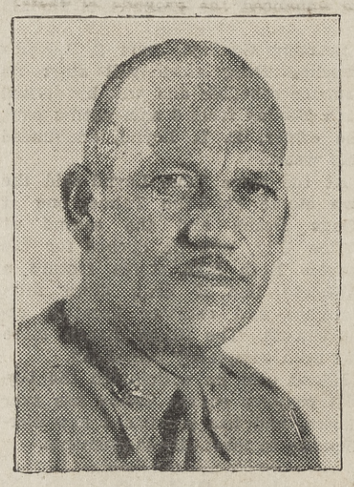
Elect DON HOFFMAN
Representative to Congress,
2nd California District
PRIMARY ELECTION
JUNE 4, 1946



DON HOFFMAN

Top Business On Hoffman's Card:--

1. **Represent the people of the 2nd District.**
2. **Guarantee the peace and security** of America by every means available to us.
3. **Retain every single advantage** in war or trade we have won.
4. Clear the way, and get back to **business** on the American standard, with people at the wheel htat know what that stands for, and how it can be best and most quickly accomplished.
5. **Elimination of top heavy Bureaus of Government,** putting their Chiefs to work on the accomplishment of their mission, rather than the assumption of legislative control over our economy.
6. **Reorganization of our armed forces** at the earliest possible date, correcting many conditions effecting the morale and leadership of the Army and Navy. Make the services attractive to American youth, by affording technical training, and pay comparable to the same skill in civilian life. Afford men and women of the services increased opportunities to round out their education, including many subjects leadding subjects to college credits. Continue and strengthen the War Department - Industry teamwork, that will permit a changeover to defense production, at a rate even more speedily than was accomplished in the present emergency.
7. **Maintain a constant and vigorous interest, in Congress,** of Veterans Affairs, and speed up action on all legislation for accomplishing present and future commitments to Ex-service people.

The 2nd Cong. district comprises the counties of Alpine, Amador, Calaveras, El Dorado, Inyo, Lassen, Mariposa, Modoc, Mono, Nevada, Placer, Plumas, Shasta, Sierra, Siskiyou, Tehama, Trinity and Tuolumne.

World War II Veteran Makes Bid For Congress On Republican Ticket

A Californian

Don Hoffman was born in Stockton, California, in 1898. His parents were also natives of this state, coming from Nevada County, where his father was active in mining activities for some years, before entering the newspaper field, where he completed a thirty year career.

Up from Army Ranks

Hoffman enlisted in World War I as a private in the Corps of Engineers and was discharged in 1919 as a Sergeant 1st Cl. He then entered the Reserve Corps, and in the ensuing years, was promoted from Lieutenant to Captain, and to Major in 1940. He resigned his position as County Engineer in 1940, to again enter the Army, in connection with the great defense program then started. He went to Washington, D. C., where he was engaged in the design of new plants, and writing of contracts for the construction of them. In 1941 Hoffman, then Major, was engineering officer on the construction of the $37,000,000 Elwood Ordnance Plant, and when this plant was brought into operation, he was made Commanding Officer, with rank of Lieut.-Colonel. Upon the expansion of the Office as Chief of Ordnance, Hoffman was assigned as Chief of Administration of all shell and bomb loading plants in the U. S. with offices with the Field Director, at St. Louis.

Selected for A. M. G.

In 1943, Colonel Hoffman was selected for the group to organize and train the new organization for American Military Government and Civil Affairs in the European Theater. He attended the University of Virginia, the Provost Marshall's School at Camp Custer and studied German and French languages at the University of Wisconsin, before going overseas. Hsi regiment, the 1st Civil Affairs Regiment, was staged and trained in England and assigned to First Army for the invasion. This regiment was later also attached to the Third, Seventh and Ninth Armies, and the 12th Army Group. Detachments of Hoffman's regiment set up the civil and military government of practically every city taken and occupied in France, Belgium, Holland and Luxemburg, and part of Germany. The organization was an unique one, comprising American, French, British, and Russian officers and men. Hoffman was promoted to full Colonel in 1943. He was awarded the Legion of Merit at Supreme Headquarters in Frankfort, Germany. In Paris, Colonel Hoffman was decorated by Gen. DeGaulle with the French Croix de Guerre with Palm. He also was awarded the Belgium Military Cross first class, and the Courrone de Chene of the Duchy of Luxemburg. Hoffman is now on terminal leave from the service, and holds the permanent rank of Colonel in the Organized Reserves.

Is Civil Engineer

Hoffman is a Registered Civil Engineer of the State of California. He has had a wide and varied experience in the field of both civilian and military engineering. He was for over ten years engaged with the federal government, being with the U. S. Geological Survey, the U. S. Forest Service, the Public Roads Department and the Federal Power Commission. Practically all of his work was closely related to the counties now embraced in the 2nd Congressional District, and included mapping, minink investigations, hydro-electric power surveys, and construction of roads. During this period, Hoffman headquartered with the Regional offices in San Francisco.

Experienced in Business

In 1929 Hoffman resigned from Federal Service to enter the business field and was District Manager of the Northern California and Nevada district for the Edw. R. Bacon Company of San Francisco, with offices in Sacramento. This work involved design, sales and services to the construction industry and to the cities and counties of the district.

In C. C. C. Program

In 1933, Hoffman, then Captain, reserves, returned to the Army in connection with the Civilian Conservation Corps program, as Construction Engineer, and built many installations throughout Utah, Idaho, Nevada and California. He was later made Commanding Officer of several camps, all in the Sierras of California.

Entered Politics in 1938

Hoffman returned to civilian life in 1938, to run for the office of County Engineer of El Dorado County, in which campaign he was successful. Under Hoffman's guidance many county projects were completed in El Dorado County, including bridges, roads, airport and fairgrounds. He held this post until 1940, when he resigned his office, to go to Washington, D. C., in the present emergency.

All of Family in Service

Two sons, Bill, 25, and Jim, 18, had foreign service with the U. S. Army. Bill served in Italy, North Africa and Eritrea, and after a short leave in the States, served two more years in Burma and China. Jim, entered the service in 1945, and is now a private in the U. S. Marine Corps in China. Mrs. Hoffman spent 2 years in Burma and India in charge of the Red Cross Canteen units at the "jump-off" of the famous "hump" between Assam, India, and China.

Home in Placerville

Don Hoffman is registered as a Republican in El Dorado County where he has made his home for the past 12 years. He holds membership in the American Society of Civil Engineers, and has been active in Lions, Elks, and in many community activties.

—Political Adv.

There is No Substitute for Experience!

The country is now faced with a period of the greatest crime wave in its history and there has never been a time when experience in law enforcement was more important to the people.

I am willing to let my record stand as an indication of my willingness and ability to enforce the law whenever and wherever the demand necessitates.

This is no time to experiment with inexperienced officers.

My election as president of the California State Sheriff's Association recently gave ample evidence of my ablities and exemplified the faith held for my capabilities by the sheriffs and other officers of the state.

Your vote at the Primary Election of Tuesday, June 4, will be sincerely appreciated and if re-elected I can promise only to serve the residents and taxpayers of Nevada County to the very best of my ability at all times.

Since my first election 12 years ago, the duties and responsibilities have increased four fold. In order to meet this, we have continually and constantly added new and modern facilities and more men to meet the need.

We have improved the Truckee jail and lent all possible assistance to the local officers in enforcement problems. I believe the people of Truckee appreciate this effort and I promise to continue doing my best to meet all local requirements.

Re-Elect--

CARL J. TOBIASSEN

Sheriff of Nevada County

On the Basis of Duty Well Performed

Ill Health Forces Tahoe Woman To Leave Firm

TAHOE CITY— The newly established partnership of Mrs. Katherine Corona, her son, Oliver, and Mrs. Vera Frazier, although only just begun must, through necessity, be broken. For on Saturday last, Mrs. Frazier was taken seriously ill with a heart attack and was removed to her Lake Forest home. Dr. J. H. Bernard, called from Truckee to attend her, gave orders for her to discontinue working for the remainder of the summer. So, the new venture, the Tahoe Vista Hotel Dining Room, which the three were operating with increasing success, will henceforth be managed by Mrs. Corona and her son. Mrs. Frazier's many friends wish her speedy recovery and increasing good helath in the months ahead.

North Tahoe News . . .

by MADELINE CALLERANI

Edgar Johnson of San Luis Obispo is spending two weeks visiting at the home of Mr. and Mrs. A. E. Abbott of Fox Street in Kings Beach. Mrs. Johnson will join her husband next week.

Dr. G. R. Bittner of Sacramento spent the past week end at his Woodvista home.

Mr. and Mrs. J. Horst of San Francisco are at their Brockway home for the summer.

Mr. and Mrs. George Pawney of Oakland visited in Kings Beach recently.

Mr. and Mrs. Paul DeCamp of Santa Cruz arrived here on Sunday where they will spend several weeks visiting.

Sunday visitors at Woodvista were Mr. and Mrs. H. T. Madsen and A. T. Eveleth all of Reno.

Frank E. Norton of Reno is building a summer cabin at Crystal Bay.

Mr. and Mrs. Tom Kyncy of Kings Beach were given a surprise party at their new home on the Truckee Cut-Off. Over 30 friends were present to wish them well in their new home. A lovely floor lamp was presented to the coung couple. Refreshments were served and dancing and singing were the diversions of the evening.

J. T. Violette of Sacramento is at his home in Tahoe Pines.

Frances Revett Wallace of Brockway is psending two weeks visiting in San Francisco.

Mr. and Mrs. Charles T. Powner of Chicago are at Twin Pines on the Dollar Hill Grade. Powner is owner of the Charles T. Powner Co., Booksellers and Publishers, of Chicago.

Mr. and Mrs. Anthony J. Plescia of Sacramento are honeymooning in Kings Beach. Plescia just recently discharged from the armed forces, has four years active duty to his credit. The bride si the former Constance Jenkins of Sacramento. The young people plan to make their home in Sacramento.

Salvodore Silva of San Jose is visiting friends in Kings Beach.

Kenneth Clackett of San Francisco will send the summer in Kings Beach.

Mr. and Mrs. J. Phillip Murphy and their four children are at their summer estate at Tahoe Pines over the weekend. Former San Francisco residents, the Murphys have moved to Emeryville.

Dr. and Mrs. Earl Warren of Pasadena visited a few days with Mr. and Mrs. David Ashton in Kings Beach.

Mrs. M. Curtis of Cedar Flat Tract spent a few days shopping in San Francisco.

The Karl Bohmes of Kings Beach have enhanced the grounds of their Cottage Court with a new lawn and many lovely flowers.

Mrs. J. Dickow of Kings Beach has a Story Hour every Tuesday morning from 10 AM to 11 AM for first second and third graders at her home. The fourth to ninth grade pupils are invited to attend the Story Hour in the afternoon from 2 PM to 3 PM.

Vernon Lee Phillipy is at the home of his parents, Mr. and Mrs. V. L. Phillipy, local building contractor. Vernon was two years in the armed forces.

Albert F. Bequette of Auburn and a candidate for the office of county superitendent of schools visited in Kings Beach this week.

The Bob Eddys have moved from the Bohme Cottages into their new home.

A man giving his name as Albert Steiger and residence as Connecticut, was arrested by Constable Harry Johanson in Homewood last week and turned over to the FBI for investigation. He had no identification papers or draft card on his person at the time.

BAZAAR ON JUNE 15 BY GIRL SCOUTS IS TO BE GALA AFFAIR

TAHOE CITY— Mrs. William Boorman, leader of the Girl Scout troop at Tahoe, announces the admittance of three new members to the local organization last week. They are Beulah Frey, Carolyn Almond and Percyne Gardner.

On June 15 the Tahoe Girl Scouts will hold a white elephant sale and bazaar on Community Beach in Tahoe City. Dart games, bingo and other diversions will be featured from 1:00 PM to 5 PM. At five a bonfire will be built and weiners and buns, cookies and cokes will be served around the fire until 8 PM. At that time the girls will give a song recital featuring scout tunes. The money thus raised will go toward the club's treasury and will purcahse scout uniforms for those not now having them, and for other equipment for the scout hut and activities.

On Thursday last a meeting was held n the hut in town, the Misses Doreen Quam and Blodwyn Tiffee hostesses. Committees were selected to handle the coming bazaar, and plans will be announced next week regarding further attractions.

A vote of thanks was given Mrs. Irene Duffee who donated an American flag to the local group for their club services. Glenn Greene of Tahoe Tavern also made the girls a gift of a number of chairs, rugs and lamp shades, which were greatly appreciated.

Five members received awards for perfect attendance over the past six weeks. They were Betty Joy Boorman, Myra ee Pollitt, Christine Bechdolt Blodwyn Tiffee and Mary Haney.

Popular Dining Room At Ward Creek Open May 29

TAHOE CITY— Mrs. Helga Olander and her son, Carl, on Wednesday, May 29, opened their popular and attractive dining room, Forest Inn, on Ward Creek. The brilliant blue awnings are up, the staff is in and an especially busy season is anticipated.

Out in the cool, secluded patio breakfasts will be served and on the shady terrace luncheons and dinners will be available during the season ahead. The dining room will be open from 9 AM til 9 PM daily and special parties may be arranged by calling or reservations.

Phillip Olander, the son who lived through the horrors of World War II, and who returned to rejoin his family, will be manager of the Inn's cocktal lounge and bar, open until midnight daily. He will be assisted by Bob Evans, a member of the staff, this summer.

Those who will be responsible for the distinctive quisine famous at Forest Inn over the years are Mrs. Thyra Peterson, dinner chef; Doyle Upton, fry chef, and Anna Malquist.

Lake Fishing on Up-Grade Report Tahoeite Experts

TAHOE CITY— Fishing reports at Tahoe over the past few weeks are moderatey encouraging but none of those whoppers wihch featured other years have been encountered in this district as yet. The largest to date reported was 13 pounds and the successful fisherman's name is not known.

Mr. and Mrs. Rex Tollefson have caught some nice ones out in the lake, with Mrs. Tollefson proving the champion by landing a German Brown which tipped the scales at over eight pounds.

Jim Wilson of Tahoe Cedars has had some nice trout dinners but this veteran knows where they hide out, although he has not yet captured any granddaddies.

Tahoe Lake School Column

Barbara O'Brien of Kings Beach has returned to Tahoe and classes at Tahoe high school. She attended school all winter at La Verne.

Mrs. Martha Burns, teacher of the elementary grades at Tahoe Lake School reports four new pupils enrolled last week brining her attendance up to 25. The new scholars are Mary Albers and Joyce Schumacehr of Tahoe City and Georgene and Barbara Maderos of Lake Forest. Conditions are becoming more crowded with the passing weeks and esdks hae been moved into the classrooms from the old school house to help bridge the emergency.

Percyne Gardner of Homewood enrolled for classes in the 5th grade last week.

—::—

Mrs. John Reedy and sister Miss Ann McDonald of San Francisco arrived to open their summer cottage in Timberland Tract on Thursday, May 30.

MY PLACE in the SUN

by DOUG BARRETT

As a rule, I try to keep politics and especially partisan politics, out of this column. However, in glancing over my sample ballot I find no one has filed for the Republican County Central Committee from this District. I was elected to this committee in 1942 and then went off to the wars. This year I would appreciate the Republican voters here writing in my name in one of the two vacant spaces allotted for the office. I am now and always have been a Republican. If elected to the committee, I will oppose pre-primary endorsements where more than one party member is seeking an office. I feel it is the duty of the central committee to support the voters' choice after the primary and not try to dictate the choice. I also feel it fair to warn you that I am in favor of the leadership of such men as Governor Warren, Harold Stassen of Minnesota and Senator Morse of Oregon and Senator Vandenburg of Michigan. I reject the irresponsible and rejected reactionaries of the party and will—to the fullest of my ability—fight them in the party and out. On these terms, I am willing to represent the Republican voters of this district on the committee and if you are willing to have me, just write, "Douglas Barrett" in the blank space for county central committee on your ballot.

STREET SEENS: Sheriff Carl J. Tobiassen and his opponent "Monk" Brown bringing home the bacon.... saw Assemblyman Scoop Thurman in Colfax Saturday and he's just about s busy as one man can be....Bob Bick wearing his black sleeve guards and very neat....Ida Gracek picking up her mail....Ted Barrett's beautiful dog, Junior....incidentally, Ted is now kin of ours, he works for the forest service, is a mighty nice guy and has a lovely wife....it was surely good to hear and see the SP running again....a smart new neon sign on the side of Hotel Riverside ....Harry Digesti doing the muscle work in the Truckee P.O.....Mrs. Dorr, principal of the high school, in slacks for the annual skip day picnic ....Orlie Sanders, the Tahoe ice man in Truckee on business....Milton J. Shontz off to open Loynd's Tahoe City Drug....and Max McGwinn off to the Kings Beach store....the cases at Truckee Meat pretty well cleaned out Saturdeve....

TAHOE BRIEFS

by SWANEE

Tahoe summer residents are beginning to pour in to their mountain cabins and lakeshore homes for the season. Among them are Mr. and Mrs. B. C. Scott of Piedmont in for a few days at their home near Tahoe Park....Mrs. Henry Searles and a party of friends in from San Francisco at the family home at Carnelian Bay for several weeks....Mr. and Mrs. Fred Repp of Orinda enjoying a four or five day stay at their cottage atop the Dollar Hill, with Mrs. vans their guest....Miss Donaldine Grass of Sacramento College faculty and her guest Miss Margaret Meyer of the University of California at Berkeley in for the weekend.... Mr. and Mrs. Lester Roth of San Francisco in for the season at their Lake Forest summer home....Dr. and Mrs. A. B. Hood of Reno and their daughtert, Mrs. Frazier West. The latter's husband is Major West, well known at Tahoe where he has skiied over the years, now in service with the Marines in China. Mrs. West plans to finish a college course at University of Nevada this fall.... Mrs. John B. Metcalf of San Francisco, expected in Monday, following a vacation at Palm Springs.

Mrs. and Mrs. A. P. Crist are in for the summer season and occupying their cottage atop Dollar Hill.

Mr. and Mrs. James Wilson of Reno are now occupying their summer cottage in Tahoe Cedars.

The Catholic Church at Tahoe is now open for the summer season with Mass heard there each Sunday at 10 A. M. Rev. Father J. Boland of Truckee will officiate.

Mr. and Mrs. Walter Mandeville of Lake Forest on Saturday enjoyed a reunion with one of Walt's old buddies in the air corps, former Lt. Glen Mackay of Boulder City, who joined them in a round of the Reno night spots and dinner. Mackay, who has been attending college in Arizona, plans to take a medical course this fall.

Mr. and Mrs. George M. Mathison of St. Paul, Minn., are enjoying the summer at their new home in Tahoe City, across from the Village Store. Mrs. Mathison is a sister of Mrs. Justine Pingree.

Mrs. Jacquelyn Kincaid spent the weekend at the home of her mother, Mrs. Charles Swanson, at Sunnyside.

Mrs. Edith Hayden of Phoenix, Arizona, has departed from her home following a five weeks visit with her aunt and uncle, Mr. and Mrs. George Gates of the McClatchy Estate. Mrs. Hayden was keenly disappointed at having to leave as she had planned to spend the summer at Tahoe, but failure to find a house in which to live caused a change in plans.

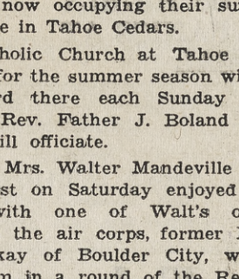
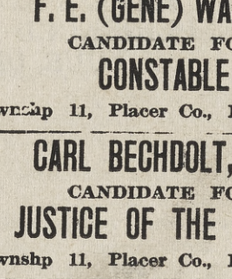
What our $400,000,000
five-year expansion program
means to you

More than $100,000,000 Construction Planned for 1946





If you are waiting for a telephone . . . you may be certain that getting one to you just as rapidly as possible has top-priority in our plans. We are working full speed on buildings, cables, switchboards and other equipment needed to provide service for everyone who is waiting . . . and to make service even better for every telephone user.

If you are a farmer . . . you may expect the extension of telephone service in rural areas. New methods and new developments will be used, including high-strength steel wire, power line carrier equipment and possibly radio for remotest locations. You may also expect fewer parties on the lines, fewer rings for other parties and other service improvements.

If you use Long Distance . . . you may look forward to an even better and faster service than ever before. We are working on our part of a nation-wide coaxial cable network for long distance calls and television transmission. Equipment will be provided for nation-wide operator dialing of toll and long distance calls and for customer dialing of toll calls between some communities.

Thousands of jobs . . . millions of man hours of work . . . will be created by this program, the largest in our company's history. Our total plant investment will be increased to more than a billion dollars. For it is our purpose to provide an ever-widening, ever-improving telephone service . . . to grow with the West and to help the West grow.

Every day we seek to make telephone service even better than it has ever been before

Commercial Row & Spring, Truckee Telephone Truckee 50

HOWSER IS FAVORED AT STATE ATTORNEY CHOICE POLL SHOWS

Fred Howser, candidate for Attorney General, is shown by straw votes and surveys to be well in the lead throughout the state, according to a statement issued at his Northern California Headquarters in San Francisco. The statement said that straw votes recently taken in Southern California show Howser to be leading by 3½ to 1. Reports from campaign workers from San Luis Obispo and Bakersfield, and up through the San Joaquin and Sacramento valleys, show a marked preference among voters for Howser, it was reported.

"Every indication shows that there is a possibility that Howser may win both nominations at the Primaries," said Richard Prosser, Northern California Campaign Director.

"The efforts of the Howser Campaign Committee between now and the Primaries on June 4th will be devoted entirely to urging the people to go to the polls and vote," Prosser said. "Howser is recognized as one of the ablest vote-vetters developed in California in recent years, as shown by his election to his present office as District Attorney of Los Angeles County, at the Primaries two years ago, when he outdistanced two popular opponents, Wallace Ware and Henry Dockweiler, winning by a substantial majority of all votes cast."

U. S. Forest Acreage

The United States has 462,000,000 acres of commercial forest lands, a large percentage of which is in California and neighboring states.

QUOTES OF THE WEEK

"She said she had a headache." —*W. T. Sutton, 74, Missouri farmer, whose 16-year-old bride disappeared after 2 weeks.*

"American women are spoiled —and I like 'em that way."—*T/4 Harlow Smith, of Michigan, comparing U. S. and Jap girls.*

"They are smoother, but have lost some of their delicacy." — *Co-ed at William Jewell College, Mo., on today's veterans as sweethearts.*

"The belief is spreading that the people cannot govern themselves."—*Ex-Postmaster General James Farley, decrying rule by Washington "political elite."*

"U. S. industry cannot go forward with any degree of confidence under our present labor laws." — *Ralph Hendershot, financial editor.*

"We cannot bring up our youth by remote control."—*Capt. Eddie Rickenbacker, urging parents cure juvenile delinquency.*

Every ten minutes somebody thinks up a new product or improvement for which an American patent is issued—about 40,000 a year.

ENGLE WITHHOLDS VOTE IN FUND CUT FOR U. S. AGENCY

WASHINGTON— Despite a solid Republican vote in the House of Representatives, GOP legislators recently failed to prevent drastic increases in the annual appropriation for the Department of Commerce for 1947.

Republicans, including California Representative Carl Hinshaw, 20th District, sponsored an amendment which would have deleted $4,945,000 from the Commerce Department budget. They said the amendment would prevent increased "government interference with business by bureaucratic dreamers and planners."

California Democrats voting against the economy measure included Franck C. Havenner, George E. Outland, Jerry Voorhis, Ned R. Healey, Helen G. Douglas, and Ed V. Izac. The move met defeat when the speaker broke a tie by voting against the economy move.

Clair Engle, George P. Miller, John H. Tolan, Alfred J. Elliott, Ellis E. Patterson, Clyde Doyle and Harry Sheppard did not vote.

Republicans pointed out that Commerce Secretary Henry A. Wallace was requesting appropriations to finance a "gigantic program" that had not yet been authorized by Con and said that his proposed business aids "reached too deeply into the problems of individual management."

PRIMARY ELECTION: Tuesday, June 4, 1946

WOW!

Look what happens on June 2nd...

OVERLAND LIMITED MANY HOURS FASTER!

Starting June 2, from San Francisco and Chicago, the *Overland Limited* will speed daily between those cities in 48½ hours eastbound, 49⅓ hours westbound. No extra fare. Over the High Sierra by daylight both ways. Streamlined Pullmans and chair cars between San Francisco and Chicago, streamlined Pullman to St. Louis. Lounge, dining and coffee shop cars. Through Pullmans to New York.

FASTER PACIFIC LIMITED!

Starting June 2, from San Francisco and Chicago, the *Pacific Limited* will operate on much the same schedule as the present *Overland Limited.* Standard Pullmans between San Francisco and Salt Lake City, Denver, Omaha, Chicago. Club car. Connects at San Francisco with streamlined *Daylight* to Los Angeles.

NEW SACRAMENTO DAYLIGHT!

Starting June 2, a new *Daylight* streamliner will operate daily between Sacramento and Los Angeles. Fully streamlined.

FASTER SUNSET LIMITED!

Starting June 2, from Los Angeles and New Orleans, the *Sunset Limited* will be on the fastest schedule in its history—only 49¾ hours eastbound, 48 hours westbound. No extra fare.

NOON COAST DAYLIGHT BACK!

Now! *Noon Coast Daylight,* famous red and orange sister streamliner to the *Morning Coast Daylight* is back in daily service along the coast from San Francisco to Los Angeles.

FASTER SAN FRANCISCO CHALLENGER!

Starting June 2, from San Francisco and Chicago, the *San Francisco Challenger,* popular economy train for chair car and tourist passengers, will be speeded up. Connects with streamlined *Daylights* to Los Angeles.

FASTER GOLDEN STATE LIMITED!

Starting June 2, from Los Angeles and Chicago, the *Golden State Limited* will link those cities in 48¾ hours eastbound, 49¼ hours westbound. No extra fare. Streamlined Pullmans and chair cars.

FASTER CASCADE!

Now! *Cascade,* luxurious all-Pullman Shasta Route train on fastest schedule in history. Only 18½ hours, San Francisco to Portland.

FASTER BEAVER!

Now! *Beaver,* Shasta Route economy train (chair cars and tourist Pullmans) on faster than pre-war schedule. Only 18¾ hours, San Francisco to Portland.

THROUGH PULLMANS COAST-TO-COAST!

Starting June 2, the San Francisco-New York cars will be carried on the *Overland Limited.* The San Francisco-Washington, D.C. cars will be carried on the faster *Pacific Limited.* A through Los Angeles-New York Pullman will be carried on the *Golden State Limited.*

COMING! NEW GOLDEN STATE ROUTE STREAMLINER!

A 39¾ hour, extra fare streamliner to run between Los Angeles and Chicago three times a week is also planned. We hope to have this train for you early in 1947.

COMING! THE SHASTA DAYLIGHT!

Starting early next year, two beautiful new diesel-powered streamliners, the *Shasta Daylights,* will make a spectacular daylight run between San Francisco and Portland, daily.

What it all adds up to is this—Southern Pacific and its connecting lines are stepping out in a sincere effort to give the finest train service ever offered throughout the West and to the East. Next time, try the train.

TRAIN SCHEDULES WILL BE CHANGED AT ALL STATIONS JUNE 2. For complete information, ask at any Southern Pacific ticket office.

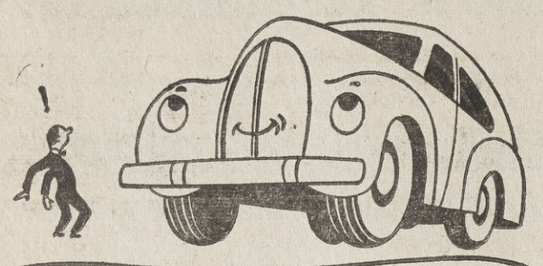
S·P

The friendly Southern Pacific

California Ranks Third Payments to Veterans

SACRAMENTO, May 30 —(UP)— The state department of employment reported today California continued to rank third in the nation in the number of veterans paid readjustment allowances.

During the week ending April 27, there were 93,959 veterans paid in California compared with a United States total of 1,618,747 and a total in New York of 211,826 and in Pennsylvania of 210,058.



"MY! HOW YOUR CAR HAS GROWN!"

Just in the ten years from 1930 to '40 average horsepower of cars increased *99 per cent!* That means a lot tougher job for motor oil. And that's why RPM Motor Oil has extra ingredients to solve all the problems of today's high-powered engines — problems that a straight mineral oil just can't handle. These compounds in RPM Motor Oil end carbon trouble; protect hot spots that other oils leave bare, exposed to wear; prevent corrosion, sludge, foaming. Try it!

Police Program For Traffic Safety

Since the end of gas rationing, traffic deaths have mounted alarmingly. In 1945, 28,500 persons were killed, 1,000,000 injured. There will be a much higher toll in 1946 unless all car owners drive safely and carefully in cars that are in safe mechanical condition. To curb the slaughter, the International Association of Chiefs of Police will launch a six week Traffic Safety Check program on May 15. The program will be conducte in all parts of the United States and Canada, with police officers checking the brakes, lights, tires, windshield wipers and horns of cars involved in accidents or traffic violations. Drivers are urged by the police to drive safely and courteously in cars that are mechanically sound, in order to reduce the shameful toll of automobile accidents.

SENATOR SEAWELL IS CONSISTENT AS AS VETS' ADVOCATE

During his more than 20 years in the California legislature, State Senator Jerrold L. Seawell compiled an outstanding record in behalf of legislation for the veteran and his family. His record contains no unfulfilled political promises to the veteran. It includes:

1. Support of the veterans bond act for home and farm purchase.
2. Protection of widows of veterans under the act.
3. Lowering of interest rates and the privilege fo obtaining group insurance.
4. Educational assistance to dependents of veterans and direct assistance to veterans of World War II.
5. Advocacy of all legislation for the support of the veterans' home, women's relief corps home, National Guard and Naval militia, and veterans' welfare board.
6. Relief to indigent and dependent widow, minor child, mother or father of any indigent veterans.
7. Veterans $1,000 property exemption.

J. Rufus Klawans, legislative representative of the Veterans of Foreign Wars, has endorsed Senator Seawell's legislative record and commends it to voters of the third equalization district.

Operators' Licenses In State Hit New Peak

SACRAMENTO, May 30 —(UP)— The state department of motor vehicles reported today there were 3,666,749 operators' licenses and 231,461 chauffeurs' licenses in California by the end of March.

The department said March was the biggest month in the history of the division of drivers licenses. A total of 168,406 licenses were issued, which was an increase of 71,949 or 74.6 per cent over the corresponding months for 1945.

State Agency Places 1,627 Handicapped on Jobs

SACRAMENTO, May 30 —(UP)— The state department of education reported today it's bureau of vocational rehabilitation has successfully placed 1,627 men and women in suitable employment in the last nine months through vocational and medical treatment.

Of this number 64 were blind. The department said the bureau has a current live roll of 12,338 disabled men and women, half of whom are being prepared for employment.

MEMORIAL DAY, 1946 . . . "Peace for the kids, our brothers freed, a kinder world, a cleaner breed." This was part of a poem written by a soldier of the 8th army in Africa before going into battle. It is a plea represented by all heroes who lie buried throughout the world. At Arlington the nation will bow to its honored dead, but in every village and section of the country special honor will be paid.

WARREN SUPPORT IS DRAWN FROM VARIED QUARTERS

Representing many millions of members and affiliates, hundreds of influential state-wide and district labor, business, agricultural, veterans, industrial, patriotic and civic organizations have officially endorsed the re-election of Governor Earl Warren, it was announced by Joseph O'Connor, Northern California campaign manager at Gov. Warren's headquarters.

Among the groups supporting the governor's candidacy are the California State Federation of Labor, Civic League of Improvement Clubs, California Veterans' Non-Partisan League, Columbus Civic Clubs of California, Chinese-American Citizens' Alliance, Lafayette Club, Slavonic Unity Council, California Industries Welfare Institute, Greek-American Political League, California Portugese Societies, Portola Clubs of Mexican, Central and South American organizations, Spanish-Speaking League, Northern & Southern California Pharmacists Associations, United Veterans of the Republic, Russian-American Institute, Service Star League, Inc., Steuben Society, Dr. George Washington Carver Progressive Democratic Club, California State Colored Republican Clubs, Greek-American Institute, Republican state and county central committees, Democratic clubs and numerous farm, civic and patriotic groups.

There are two famous paintinings called "The Spirit of '76"—one, with fifer and drummers, by Archibald M. Willard, the other by Harrison Matteson.

BROTHER OF LOCAL MAN GETS D. S. M. FOR WAR SERVICES

SACRAMENTO— Col. Kenneth H. Leitch, state director of selective service, received the Distinguished Service Medal and Col. Charles F. Going, his deputy, the Legion of Merit on Tuesday in recognition of their administration of selective service in California.

Col. Leitch is a brother of A. P. Leitch, manager of the Truckee office of Pacific Telephone and Telegraph Company.

The awards were made in a ceremony in Governor Warren's office. Col. William Hart, aide to Maj. Gen. Lewis Hershey, national selective service director, made the presentations.

On Measurement Is Founded the Whole Progress Of Man...

The French Revolution did unto scientific researches as it did to many other things — blew them up and let them lie where they fell. One ten millionth of the distance from the Equator to the pole was designated as the "Meter". To establish it, two French scientists measured the distance from Dunkirk, France, to Barcelona, Spain, in 1792. They found themselves dodging hostile efforts of all factions. In addition, the accuracy of their finding was doubtful. Yet, that was the conception of standardization. Compare it with today's high standard of measurement of electricity set and met by this District and the manufacturers of our Sangamo Meters. NO OTHER COMMODITY IS MEASURED AS ACCURATELY AS ELECTRIC POWER.

FLASH!— The National average residential cost of electricity is 3.5 cents per KW Hour. In Seattle —publicly owned—it is only 1.53 cents per KW Hour

SON OF H. B. RILEY BACKS KUCHEL IN CONTROLLER BID

SACRAMENTO— Burke Riley, son of former State Controller Harry B. Riley and an assistant to his father at the time the latter died last February, has thrown his support in the June primaries to State Controller Thomas H. Kuchel.

Riley, who today revealed that he had been urged to enter the June primaries and make the race for the office his father so successfully administetred, said he turned down the suggestion because he believed it would be "trading" on his father's name.

"But," commented the younger Riley, "I guess some people do not have the same moral scruples. A Harry E. Riley from Southgate and of whom I never heard is running for State Controller and using the phrase 'your state controller' on some of his campaign literature. That sounds to me like an attempt to hoodwink the voters into believing they still are voting for my father.

"I would not run for controller because I feared I would be trading on my father's name and because I believe sincerely that the man who should be elected to that office is State Controller Thomas H. Kuchel. Mr. Kuchel in truth is your state controller. He was appointed on my father's death. He is a trained public official. He is a man with whom my father worked and who had my father's complete confidence.

"I know that my late father, who had the confidence of California's voters, would back Thomas H. Kuchel to the limit as I am backing him and I know that my father would be the first to resent the attempt of any other candidate to trade on a family name."

Pipe Line From Texas To California Progresses

Some 253,000,000 cubic feet of Texas and New Mexico gas daily will augment existing Southern California natural gas resources on completion of two pipe lines now being built toward a union in Blythe. A 720 mile line, costing $66,000,000, is being laid westward by an El Paso firm, while another, 214 miles long and costing $12,000,000, is being built eastward by two Southern California gas companies.

COMMISSION STATES LICENSE SALES UP OVER PRIOR YEAR

SACRAMENTO, May 30 —(UP)— The state fish and game commission reported 36,250 more deer tags were issued for the 1945 hunting season than during the preceding year.

While the figures were not complete, the report said, records of the commission show 214,500 tags were sold in 1945 against 178,250 in the 1944 season.

Approximately 114,000 more fishing licenses were issued last year than in 1944, the commission revealed.

The comparative figures were:
For 1944, 436,940; for 1945, 551,000.

Odds 2 to 1 on Warren To Win in November

SACRAMENTO, May 30 —(UP)— money that Gov. Earl Warren would poll more combined Democratic and Republican votes in next week's primary than Kenny, at at two to one that Warren would defeat Kenny in the general election next November.

Betting commissioners are taking wagers that Warren will win at the primary but the odds are 4 to 1 against it.

For lieutenant governor, Sen. John F. Shelley of San Francisco was an odds on choice to win the Democratic nomination and Goodwin J. Knight of Los Angeles was a favorite over Charles W. Lyon of Beverly Hills for the Republican nod.

Sen. William F. Knowland was favored to win his Republican nomination for re-election, and Will Rogers, Jr., was favored slightly over Ellis Patterson for the Democratic bid.

Fred N. Howser, Los Angeles district attorney, was conceded thte Republican nomination for attorney general and was a 2½ to 1 choice to be elected in November.

Navy Finds Submarine Mass Off State's Coast

California scores again in the realm of the unusual!

A hitherto unknown oceanic layer of substance not as dense as the ocean floor itself, but still dense enough to be recorded by "sonar" sounding equipment, was stumbled upon recently by the Navy in the process of war research.

Some 300 miles in width and extending for miles along the California coast, this mysterious layer of substance lies from 1000 to 1500 feet below the surface and rises several hundred feet toward the surface each evening, sinking to a greater depth in the morning.

Since its existence may affect under watre navigation or the course of subsurface missles, the Navy expects to continue its investigation of the mass which "echoes" back the sonar waves used in depth finding, nearly as effectively as does the actual floor of the ocean itself.

More American lives were lost through accidents during the war than were lost by enemy action.

The longest straight railroad track in the world is in Australia,328 miles.

Border Quarantine Halts Much Infected Vegetation

SACRAMENTO, May 30 —(UP)— The state department of agriculture reported today 4,355 lots of prohibited or restricted plant material were intercepted at border station inspections during April.

These intercepted plants were found from serachingthe baggage of 398,037 passengers in 133,500 vehicles entering the state. The department said there was an increase of about 130 per cent in the number of vehicles inspected and a 100 per cent increase in the number of psasengers as compared with the same month last year.

SOUTHERN PACIFIC GIVES DAY LIGHT RUN OVER SIERRA

Southern Pacific announces a number of improvements in passenger service, effective June 2, on its transcontinental Overland Route between San Francisco and Chicago, including return of the City of San Francisco streamliners to their prewar running time of 39¾ hours. At the same time 11 hours will be slashed from the schedule of the Overland Limited to give it a run of 48½ hours to Chicago. Faster schedules will also become effective for both the Pacific Limitetd and the Challenger.

The announcement, made in conjunction with the Union Pacific and Chicago & Northwestern railroads, stated that the new schedule would gve the Overland the fastest non-extra fare service ever operated over the route. The train will have streamlined Pullmans and chair cars to Chicago, and other cars will be streamlined as rapidy as new lightweight equipment is available.

It will be operated across the scenic Sierra during daytime in both directions.

On its faster schedule, the Overland will have closer Chicago connections for its coast-to-coast through sleeping cars. Elapsed time for the San Francisco-New York service, for instance, will be cut nearly 14 hours over one connecting line and 12½ hours over the other line, it was stated.

WELCOME HOME: Governor Earl Warren welcomes two members of the famous University of California Wonder Team, Doctors Harold B. "Brick" Muller, left, and H. Brodie Stephens, who hailed the Governor as a "fellow Big C man" at a recent dinner welcoming home from military service some 500 graduates of the U. of C. Medical School. Both Muller and Stephens served as Lt. Colonels throughout the European phase of the war.

POLITICAL PARADE

by CLEM WHITAKER

With the day of decision near at hand, California's vast voting army of 4,113,608 registered electors was being deluged with appeals by rival candidates and their supporters this week, as the final, high-pressure drives got under way to round up ballots for the June 4th primary.

Turning on the heat for the first time during the campaign, backers of both Governor Warren and Attorney General Kenny, opposing candidates in the gubernatorial fray, appeared determined to jar voters out of their apathy with a whirlwind finish.

The Warren forces, for the first time during the battle, were talking hopefully of "winning both nominations at the primary", but political experts predicted a desperate eleventh hour drive by Kenny supporters to cut into Warren's admitted lead.

With U. S. Senator William F. Knowland unopposed by any member of his own party for the GOP nomination, the spotlight in the senatrial primary race was held by the two bitterly-opposed Democratic candidates, Will Rogers Jr. and Congressman Ellis E. Patterson. Rogers, in the opinion of impartial observers, was given thet best chance to win the Democratic nomination, but Patterson, a shrewd campaigner, was asking no quarter in a tough toe-to-toe slugging match, with each man rtying for a knock-out.

One of the spectacular surprises in the primary campaign, as it neared an end, was the sharply-increasing public interest in the campaign for the nonpartisan office of chief of the state's school system. State Superintendent of Public Instruction Roy E. Simpson, while backed by the almost unanimous and vigorous support of educational leaders, was running into strong opposition from the CIO Political Action Committee and other left-wing groups supporting the candidacy of Dewey Anderson.

The California Teachers Association apparently aroused by the bold bid of leftist political groups for control of the school system, jumped into the contest, with a strong endorsement of State Superintendent Simpson—and other school and educational organizations followed suit.

Declared Roy W. Cloud, secretary of the Teachers Association and a veteran crusader for better schools:

"State Superintendent of Public Instruction Roy E. Simpson was appointed to the office last November after a long and successful career as teacher and administrator in the public schools of California. He is the only candidate so qualified. Every teacher and every citizen interested in the welfare of education in California should assist in the State-wide nonpartisan movement for his election on June 4th."

Unlike most of the other State offices at issue—where the final verdict will be handed down at the General Election in November—the State school superintendency will be decided at the June election, as the office is nonpartisan—and the high man will win.

PYTHIANS ELECT

SANTA CRUZ—William A. Stranger of Los Angeles was elected grand chancellor of the Grand Lodge of California, Knights of Pythias, here at its session last week end. Reese J. Deese of Vallejo was named grand vice chancellor at the 77th annual convention of the lodge.

The Grand Temple of Pythian Sisters in its 53rd annual convention elected Nercilla Harlan of Healdsburg grand chief, Martha Thompson of Compton as grand senior and Nina Warnke of Modesto, grand junior.

SACRAMENTO, May 30 —(UP)— A 20 per cent increase in blazes but a 49 per cent reduction in acreage burned was California's forest and range fire picture for early 1946, the state division of forestry reported this week.

PATROL HERE WORKS ON AUTO CHECK TO CUT DOWN WRECKS

The California Highway Patrol of the Truckee and Tahoe area are engaged in part of a nationwide traffic safety check designed to reduce accidents.

The check applies only to vehicles involved in moving traffic violations. It consists of an examination of the driver's license and registration certificate and a spot inspection of his brakes, lights, tires, windshield wiper and horn. Drivers whose cars show obvious defects are being urged to have the necessary repairs made. They will not be penalized because of mechnical defects in their cars unless they are in violation of the state law or local ordinances.

The check is extending for a period of six weeks or more. It is sponsored by the International Association of Chiefs of Police and has the backing of the automobile clubs and all other agencies interested in traffic safety.

As pointed out by Captain George Peterkin, of the patrol in the Placer area, the average car on California highways is now more than eight years old and it is highly necessary these aging vehicles be kept in good condition to avoid accidents and conserve transportation facilities.

The authorities are urging the public to have their vehicles checked voluntarily. The slogan of the drive is: "Check Your Driving—Check Your Car—Check Accidents."

The City of Hanford, Kings County seat, was incorporated Aug. 12, 1891.

Washington, Conn., claims to have more telephones per capita than any place in the world.

TAHOE LETTER

From SWANEE

Tahoe City, California.
May 27th, 1946

Dear Tahoeites:—

Write you this week on Monday omrning as the sun plays peek-a-boo behind gathering clouds. Looks like more rain, which will be gratefully received by both gardeners in the lake region and the Forest Service, which, according to Fred White, in charge of Tahoe Park Ranger Station this season, is fearful of summer fires in the forest area, due not only to the dryness of the timber, the great increase in vacationers but to a curtailment of financial benefits which will restrict the size of the local fire fighting crew on hand. Mrs. White sends out a warning early this year requesting visitors and residents alike to abide strictly by the forest service rules and regulations, in order that disactrous fires may be avoided. He will be assisted by George Clark, but is contacting various neighbors and local residents with a view to having an emergency crew available in time of need.

During the storm last week a power line broke near McKinney Creek setting some of the trees afire nearby. Had it not been for the rain in progress, it is quite possible a forest fire of major proportions might well have still been in progress at this writing.

A cabover tanker, with 250 gallon capacity, is ready to roll on a second's notice, Mr. White reports, but he believes with local cooperation fires will be held to a minimum. All good woodsmen realize thet necessity of carrying a shovel at all times when camping, and of extinguishing their campfires when leaving, with a second check to be sure they are really out. Smoking is restricted to FAG's, or designated flag stations, and in camps, and matches should be broken in half before throwing away, and cigarettes and cigars should be crshed underfoot when discarding.

Someone in Lake Forest last week set fire to a pile of brush on the shoreline and left it unattended. It gave the fire service a good scare for a while as a brisk wind was blowing. Permits must be obtained from Mr. White for the bruning of brush or rubbish, and permits must be obtained for camp fires. Unless more rain is received in the Tahoe area soon burning will again be restricted to nights, or a period from 7 PM to 7 AM. Methinks this would be a good time for the Tahoe Rangers to get back into active service.

Hear that Pete Vanni was back in town in civvies last week for a few days vacation, after being released from the service. He looked fine, his friends reported, but returned to San Francisco where he will live with his mother and brother, Carlo. The latter will not spend the summer at Tahoe as usual, as he has a good job in the by region and will remain there. The Vanni home has been rented for the summer to the James Haneys, former residents at Pingree's n town.

Mr. and Mrs. Roy Stark of Dollar Hill have been hearmg frequently from their youngest son, Bob, who entered the Navy some months ago. He is still in sick bay at San Diego Naval base with red measles, and has been there for the past four weeks. He is impatient at having lost so much training which must now be made up.

Latest word from son-in-law PFC Bill Steenis at Moore General Hospital, Swannanoa, North Carolina, is that he likes his new surroundings, says the hospital is very large and meals are good. The trip back wasn't too bad, with good accomodations and swell chow, but he can't get back to Tahoe too soon to suit him. His latest examinations indicate that the operation they had believed necessary may not have to be undergone, which does not hurt his feelings one bit. We're hoping to have him back soon.

A recent letter from my old friend, Mrs. Eric Druhn of San Francisco tells that she has been receiving mail from her youngest brother, still a prisoner of the French. He made a friend of a Frenchman who sees that the letters are mailed. A queer circumstance, being a prisoner of the French and still making a pal of one. She has heard from all her brothers but Eric's parents in Germany have sent no word whatever, their fate since the beginning of the war remaining a complete mystery. The Druhns arrive on May 29th for the summer season from San Francisco.

Herbert Obexer was home one day last week for a breif visit with his parents at Homewood and looking fine. He expects to arrive at Tahoe around June 15th to spend the summer and will assist his dad in the operation of his business interests at the lake.

Took a run down to Homewood yesterday to spend a few moments at the home of our friends the Henry Solls who observed their 36th wedding anniversary. Mr. and Mrs. Ray Matchem of Truckee were also visitors. They received many lovely cards and gifts from their family and host of friends.

Also stopped to meet Don Huff of the Homewood Hotel. His place is just about ready for the summer rush and many changes and improvements have been made in preparation for a super season. Two new bedrooms with baths have been added on the second floor and 13 new rooms have been completed on the third floor for the help. The main lobby has been enlarged and a cocktail lounge added. Desk clerk this season will be Mrs. Leafy Crooks, a native of Grass Valley. Learned she was once the owner, editor and publisher of a Chula Vista newspaper and for many years was the only woman publisher in Southern California. She old out in 1931, after 15 years in the business, to enter hotel work.

Have been enjoying some grand letters from son Jimmie in Weisbaden, Germany, but much of it is "verooten" for publication. He's been enjoying the spring season over there and reports the wild jack rabbits in Germany are enormous in size, ranging around 10 pounds each and long enough to hang from a man's waist to the ground. The country is very beautiful at this time of year, although mists hang over the Weather Wing headquarters until around 8 AM each morning. Am sending him some simonizing wax to use on his GI jeep this week as it is unobtainable over there. He reports their commander, Lt. Col. Gill, one of the finest men it has ever been his good fortune to meet. He is idolized by every man in the outfit. Deer hunting season has just opened in his district and at present only bucks can be killed but later on they open the season on does too. He's hoping he and his buddies might find a way to go hunting with army permission.

This week we will observe one of the saddest holidays of our country—Memorial Day, May 30th. It will be a blue and lonely occasion for those of you who have lost loved ones, whether in the last terrible war or in the natural course of life. But for those whose soldier sons and daughters did not come home, it may be even more trying as we look around us and sometimes wonder whether their tragic sacrifice will have made the world a better place in which to live. We look at the chaos, we listen to the bickering and endless mass of arguments, we seethe at the injustices in our midsts, we wonder why Americans, supposedly the most advanced people in the world, cannot find a tranquil solution to that promised peace for which the blood of nations was spilled like water over the face of the earth—and we pray unceasingly that me of all countries may learn to practice tolerance, patience, humility, brotherly love and consideration for the rights of others, that we may all share the bounties of God and nature which would abound if men would but spend one half the effort in seeking peace that they do in endless wrangling. My deepest sympathy to you gold star mothers and fathers and to you whose sons or daughetrs may be crippled and ill, and by prayers and hopes are with you that a better, brighter world may be waiting for us just around the corner. May God be with you today and always, as ever, SWANEE

P.S.: Almost forgot to mention that snow visited the Tahoe region on Tuesday afternoon and through that night leaving the ground white, but remaining ery briefly. Snow and rain fell on Wednesday also, but did little damage to growing flower beds and except for the mountain tops disappeared almost at once.

Mrs. Alice Martin, mother of Stan Martin, spent the weekend at the home of her son and family. On Monday she left for Kings Beach where she will reside for the summer with her niece and husband, Mr. and Mrs. William Argood, the latter to operate a lunch counter at Kings Beach this summer.

Mr. and Mrs. Emil Kraft of Woodland arrived on Thursday to open their Timberland summer cottage for the season.

Mrs. Gerda Kvistberg of Tahoe Park leaves this week to meet her husband, Captain John Kvistberg, whose tanker arrives at Avon from a trip to Honolulu. He plans to spend his vacation at Tahoe soon.

The lake level on Monday stood at 6228.66 with 101 CSF of water leaving the gates in town. Precipitation for the week was .33 of an inch. Coldest day of the past week was on the 22nd with 30 degrees and warmest was on the 20th with 66.

CERTIFICATE of BUSINESS FICTITIOUS FIRM NAME

The undersigned do hereby certify that they are conducting a grocery business at Commercial Row, Town of Truckee, County of Nevada, State of California, under the fictitious firm name of Truckee Public Market and that said firm is composed of the following persons, whose names and addresses are as follows to wit:

Charles H. Rose, Truckee, Calif.
James H. Rose, Sacramento, Calif.
David C. Rose, Sacramento, Calif.
Orval E. Sannar, Truckee, Calif.

Witness our hands this 25th day of May 1946.

CHARLES H. ROSE
JAMES H. ROSE
DAVID C. ROSE
ORVAL E. SANNAR

State of California
County of Nevada

On this 25th day of May 1946, before me, R. N. Little, a Notary Public, in and for the said County and State, residing therein, duly commissioned and sworn, personally appeared, Charles H. Rose, James H. Rose, David C. Rose and Orval E. Sannar, known to me to be the persons whose names are subscribed to the within instrument, and acknowledged to me that they executed the same. In witness whereof, I have hereunto set my hand and affixed my official seal the day and year in this certificate fist above written.

R. N. LITTLE
—SEAL— Notary Public in and for said County and State. My Commission Expires Dec. 12, 1949. M30J6,13,20

TAHOE BRIEFS

Mr. and Mrs. Martin Spitsen of of Oakland enjoyed the weekend at the home of her aunt and uncle, Mr. and Mrs. Norman Mayfield. Spitsen is now making his way about on his crutches, the cast from his broken leg having been recently removed. He hopes soon to be able to navigate with the aid of a cane only. He broke his leg in two places last winter while walking on the icy highway at Tahoe City.

Mr. and Mrs. Clifford Jones of Sacramento were weekend visitors at the home of her parents, Mr. and Mrs. D. M. Brodehl in Tahoe City.

Carl Wheat, who worked in Reno all winter, has returned to the lake for the summer and will conduct his business as usual.

Good Strategy

By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

Looking Ahead

CONGRESSMAN Hatton Sumners, in my opinion one of America's greatest living statesmen, has announced his purpose to retire at the end of the 79th congress. This news first appeared as a dark cloud because men like him are sorely needed today, but in Washington soon afterward I was shown the silver lining. Rep. Sumners is "retiring" to a more strategic theatre of war.

The people of America have a common danger and a common duty to defend themselves against it. This nation's hope for a bright future depends on a few facts being seen by a great many people at once. Americans can be depended upon for action at any time the truth is not hidden from them or distorted beyond recognition. Mr. Sumners will soon start talking straight to *them*.

Potent Truths "I HAVE watched what my own generation . . . has been doing to the greatest system of democratic government ever evolved through the processes of the ages," said the veteran lawmaker. "By ignoring principles and the lessons of history, accepting for our guidance the theories of men and political expedience, we have made dependents of our citizens and vassals of our states.

"By concentration of power and drafts on the Federal Treasury we now have a bewildering governmental agglomeration impossible of democratic control. Wasteful and inefficient, by nature it is the instrumentality of favoritism, oppression and corruption. It is the destroyer of self-reliance, self-respect and self-governing ability without which no people can remain free."

Hope Still MR. SUMNERS is taking to the lecture platform. I wish him as wide a hearing as his profound experience deserves. Popular education is the right place to start winning for America a future of freedom. This man has seen Congress sweat under heat applied by political pressure groups. He sees the need to open a door and admit a cooling draft of public sentiment. And he can do it.

Born in Tennessee, Hatton Sumners turned 21 in Texas. His congressional district (Dallas) has kept him in Washington 34 years by electing him to the 63rd and all subsequent congresses. He is a sound thinker and an eloquent speaker. He is a nationally recognized authority on Constitutional Law. He is chairman of the House Judiciary Committee and has been for a long time.

In a brief and eloquent word-picture of official Washington, the retiring crusader for decentralization of power said: "The political backing of a well organized minority is consistent and dependable whereas the backing of an unorganized majority is fickle." That's clear. An enlightened public opinion must supplant loud and selfish minorities as guiding stars of Congress.

Over 100 Californians Seek Three Children

SACRAMENTO, May 30 —(UP)— More than 100 persons want to adopt 13-year-old twin boys and their 10-year-old sister whose war veteran father sasy he cannot give them proper supervision or a suitable home.

Frank S. Smith, Sacramento probation officer, said that the children's mother is dead; their father is a railroad worker. Persons wishing to adopt the three children have applied from all over northern California, he said.

The boys probably will be placed on a farm, Smith predicted, while tentative plans call for establishing the girl in a separate home.

There are about 80,000 Maoris left in New Zealand.

Governor Moves to Get Needed Forest Equipment

SACRAMENTO— Purchase of additional equipment for the state division of forestry's fire fighting crews was proposed today by Governor Earl Warren.

Warren T. Hannum, director of natural resources, told the governor the division has replenished its staff of trained men for the first time since the war, but lacked a sufficient number of trucks and other machinery to cope with a potentially bad fire season.

Already, because of lack of rainfall, more than twice as many fires have occurred in timber and grass this year than in the first five months of 1945, Hannum reported.

The natural resources director was instructed by the governor to negotiate with the federal government for surplus equipment.

EMPLOYMENT GAINS

SACRAMENTO— Approximately 623,000 more persons have jobs in California today than in 1940, Paul Scharrenberg, director of industrial relations, reported to Gov. Earl Warren this week. Employment totals 3,123,000, compared with 2,500,000 six years ago.

SHELDON APPEALS FOR VOTES IN BID FOR D. A.'S OFFICE

In his final appeal to the voters, District Attorney Ward Sheldon, who is seeking reelection to his second term, has made the following statement:

"I deeply regret that I have not been able to make a more personal campaign for the office this year. Since the beginning of the campaign, however, the increasing work of the District Attorney's office has placed severe restrictions upon the time which I would otherwise have been able to give in calling upon the voters in the county. Finally, a recent illness which has kept me confined at home for the past several days has made it necessary to cancel all last minute plans and appointments. I hope that my many friends will appreciate this situation and will understand that it is not by choice, but through necessity that my campaign has been largely conducted through the newspapers and by correspondence.

"I have no apologies to offer, however, in asking for reelection to a second term as your District Attorney. The record of my incumbency is open for all to inspect. It indicates not only an efficient, but a fair administration with thought and consideration given as well to the protection of those unfairly accused as to the prosecution of proven violators. The experience gained in the Office during the past term will enable me to better serve you if again elected, and I solicit your support with my promise to continue the policies of the Office to which I can now bring the further understanding acquired during my present incumbency."

STATE FISH GROUP SURVEYING NEW TROUT POND SITES

SACRAMENTO—Preliminary studies are being made by the Bureau of Fish Conservation of the California Division of Fish and Game for a site for trout-rearing ponds in Glenn and Colusa Counties, A. C. Taft, chief of the bureau, said this week.

The legislature appropriated $30,000 for trout rearing purposes in this area and the first survey was made early in April, according to Taft. Furtehr work will be done in June.

In late July or early August a survey will be made of the following creeks in the area to determine the requirements for planting of larger trout: Little Stony, Line, Mill, Paradise, Middle Fork Stony, Briscoe, Hog Wallow, Hyprus, Trout, South Fork Stony, Leets, North Fork Stony, Tom and Grindstone.

Taft also said that engineers of the State Division of Architecture and the Division of Fish and Game are now working at the Mojave River Hatchery site six miles south of Victorville preparatory to the construction of trout-rearing ponds.

"Artesian and shallow wells on the property supply water of apparent excellent quality and temperature for the rearing of trout so fish ponds will be constructed to definitely determine what production can be obtained," he declared.

"Fish reared at this station would be used for planting of lakes and streams in the San Bernardino Mountain area around Lake Arrowhead and Big Bear Lake, a short distance to the south and easily accessible by a number of roads."

The last regular session of the legislature appropriated $65,000 for the construction of a trout-rearing station in San Bernardino County.

Veteran Leaders Endorse Judge Knight for Office

"I am delighted at the substantial support which continues to pile up from the Oregon border to the Tehachapis in behalf of Superior Judge Goodwin J. Knight's campaign for lieutenant governor," Roland Tognazzini, northern California chairman, today declared.

"Judge Knight has been endorsed by many non-partisan organizations as well as the California Republican Assembly, Young Republicans, a score of county central committees and Pro America. In addition, he is receiving solid support from veterans organizations. He is also endorsed by the United Veterans of the Republic and Veterans Non-Partisan League of California."

Pointing out that Judge Knight is the only veteran candidate for lieutenant governor and filed on both Democratic and Republican tickets John H. Behr, prominent in veteran circles, declared:

"As soon as Judge Knight returned from 19 months service as a seaman on a subchaser, he began taking active part in veterans affairs. He knows the problems of returning servicemen and is an honest and able executive."

MINERS' WAGES

Government figures show that soft coal miners, before striking, were being paid an average of more than $57 per week.

Placer County Tax Bill Is Upped by 10 Per Cent

AUBURN— The property tax bill for Placer County, the school districts and the special districts in the county amounted to $881,361 for the current fiscal year, up 10 per cent from the $799,829 levied for 1944-45 the California Taxpayers' Association reveals. Levies by city governments in the county are not included.

A comparative table follows:

	1945-46	1944-45
Property taxes	$320,776	$263,031
School District	$541,762	$511,342
Special Districts ..	$ 18,823	$ 25,456

New SHELL PREMIUM
a new-type gasoline developed by Shell Research

New Shell Premium is a radically new kind of motor fuel! Uses only the higher-efficiency "Power-Heart" of the gasoline. *For the first time* gasoline is freed of the power-reducing elements present in even the finest prewar gasolines!

New "Power-Heart" refining lets your engine get *maximum* efficiency from war-developed fuel boosters. With this new *all-purpose* gasoline you can start your engine in a flash . . . get swift, even pickup . . . drive all day without the whisper of a knock, and get smooth, even power under *all temperature conditions.*

Although Shell Premium costs more to make, it costs *you* no more than other premium gasolines!

SHELL

Shell X-100 Motor Oil gives premium protection for today's sustained speed driving — like New Shell Premium, it stems from continuous Shell Research

LOOK to Greyhound first for

LOW COST TRAVEL

No other form of public transportation is as low in cost per mile as the modern intercity bus. The low fares people of California enjoy today are the direct product of Greyhound leadership.

Year after year Greyhound has consistently pioneered one improvement after another in bus service and equipment...at the same time steadily *reducing* the price you pay for a ticket.

It actually costs *more* to operate your car than to go by Greyhound! This Greyhound "first" is one of the outstanding achievements in the history of transportation.

Today, while the cost of almost everything else you buy is going up, Greyhound continues to give you convenient, better-than-ever intercommunity transportation service *at lower fares than ever before.*

FOR THE BEST IN BUS SERVICE...COUNT ON GREYHOUND

LET'S KEEP A GOOD GOVERNOR

Vote for EARL WARREN June 4

What the Voters Say:

John Q. Public—I am voting for Earl Warren because he has been honest and courageous.

Veteran—I am voting for Earl Warren because, as a veteran, he understands the problems of the veterans in finding jobs and homes.

Woman Voter—I am voting for Governor Earl Warren because he has carried out an unlimited program for welfare and health.

Labor—I am voting for Earl Warren because he has been a true friend of labor. On his record he has won the endorsement of the State Federation of Labor, A. F. of L.

Business Man—I am voting for Earl Warren because he has put the State government on a sound business basis and reduced our taxes.

Farmer—I am voting for Earl Warren because he understands the problems of the farmer—he is always mindful of the farmer's needs.

A GOOD GOVERNOR FOR ALL THE PEOPLE!

California Committee, Warren for Governor

Howard Deems' Successor Named by Vehicles Chief

SACRAMENTO— Thomas V. Maloney, an employee of the department for 16 years, this week was appointed registrar of state motor vehicles to succeed Howard Deems, who recently resigned to enter private business. Edgar E. Lampton, motor vehicle director, announced the appointment.

Maloney, 34, is a Navy veteran of World War II and is the son of Assemblyman Thomas A. Maloney of San Francisco, speaker pro tem of the Assembly.

The appointment is temporary until an examination is held within six months, when the new registrar will take an examination for the position in competition with other applicants.

Check your DRIVING your CAR . . .
Check ACCIDENTS!
POLICE TRAFFIC SAFETY CHECK
POLICE
INTERNATIONAL ASSOCIATION OF CHIEFS OF POLICE

POLICE SAFETY POSTER

"Check your Driving — Check your Car — Check Accidents," is the theme of the Police Traffic Safety Check, sponsored by the International Association of Chiefs of Police, starting May 15.

Traffic accidents took 28,500 lives, injured a million persons, in 1945. The toll for 1946 will be much larger—unless every driver accepts his responsibility to drive safely in a safe car.

IT'S TRUE

By Theodore Maisch

Alexander Graham Bell, inventor of the telephone, also perfected a kite which actually carried a man aloft.

Horsecar companies in the United States in the late 1880s used 150,000 tons of hay and 300,000 tons of grain annually for their 100,000 horses.

World's first steam engine was built in 1628 by an Italian, Giovanni Branca.

Some body fluids are under a normal pressure of 100,000 pounds to the square inch.

A telescope 1,250 feet in diameter would be needed to see an object as small as a man on the moon.

Fish are from 70 to 85 per cent water.

Memorial Day

Today we are honoring our heroic dead. This the first Memorial Day after World War II. Time has not dulled the deep sense of loss. In our hearts today is a firm determination the sacrifices were not in vain. They fought for a better nation and community. Let us dedicate ourselves toward achieving their ideal. Let's not forget They died for us—let's prove ourselves worthy.
